SOFA & CURTAINS

Supply and fixtures of all kinds of curtains, window blinds and sofa upholstery. These services are available for villas, offices, apartments and hotel apartments. We are also providing customized furnishing solutions. The making of the product is done using the top quality raw materials, which ensure its elegance, durability and easy maintenance. You can start from scratch again redefining your needs, re-evaluating the furniture and reconsidering other options. If you find your furniture serving you just fine, you can keep it still. Better, you can dress them differently by changing cushion covers for a much better and stunning look. It will save your precious time, all the hassle you will need to go through in order to find the right set of furniture,

LANDSCAPE CONSTRUCTION

Perfect technical works and landscaping's core business is the construction of our (or client-provided) designs—turning your landscape dreams into reality. What we design is exactly what we build. Our designs are not copy-pasted from another source; they are custom-made for each project and designed to meet all of your needs and desires and follow the community and municipality regulations so we can build them problem-free. This includes knowledge and experience in designing resorts, hotels, residential and commercial buildings, roadside, parks, and villas of all types in Dubai and around the world.
